Our Mission:

Our mission is to provide the highest quality, most cost effective mental healthcare by ensuring that care delivery:

- ☀ Is equivalent to or exceeds nationally recognized professional standards of care and practice
- ☀ Is carried out with caring actions and attitudes in a safe, sanitary environment
- ☀ Promotes patient confidence
- ☀ Improves the quality of each patient's life in a cost-effective manner.

Genesis offers mental health clients both inpatient hospitalization as well as outpatient healthcare services. Our inpatient psychiatric hospitalization is a time-limited and structured treatment program which offers intensive and structured clinical services within a stable and safe homelike environment.

Inpatient Hospitalization Admission Criteria:

- ☀ 30 years of age or older and capable of learning in an adult setting
- ☀ Primary Psychiatric Diagnosis
- ☀ In danger of emotional decompensation
- ☀ Medically stable
- ☀ Needs inpatient supervision to adjust and monitor medications
- ☀ Gravely disabled
- ☀ Presents a danger to self or others

Inpatient Hospital Services:

- ☀ 18 Bed Unit
- ☀ High Staff to Patient Ratio
- ☀ Psychiatric Evaluation & Assessment
- ☀ History and Physical Examination
- ☀ 24 Hour Monitoring
- ☀ Medication Management
- ☀ Pharmacy Services
- ☀ Group, Individual, Education, Activity, and Family Therapy
- ☀ Discharge Planning & Placement

Our outpatient healthcare programs provide a stable therapeutic environment for major psychiatric illnesses. Programs serve individuals with significant impairment resulting from a psychiatric, dual diagnosis, emotional, or behavioral disorder and have a positive impact on the patient's support system.

Outpatient Clinic Admission Criteria:

- ☀ 18 Years of Age or Older
- ☀ Primary Psychiatric Diagnosis
- ☀ Medically Stable
- ☀ Ambulatory/ Able to Assist with Transfer
- ☀ Not Actively Homicidal/Suicidal
- ☀ Acute Exacerbation of Symptoms of a disabling psychological disorder
- ☀ An Alternative to Inpatient Admission

- ☀ Step-down Treatment from Inpatient Facility with support to reintegrate into the community

Outpatient Clinic Services:

- ☀ Psychiatric Evaluation & Assessment
- ☀ Medication Management
- ☀ Group, Individual, Education, Activity, and Family Therapy
- ☀ Chemical Dependence Therapy
- ☀ Discharge Planning
- ☀ Access to Housing
